

Emergency Appointed Person

This course is designed to meet the minimum requirements for emergency appointed persons in the workplace, for those workplaces which do not require full first aiders. The construction industry and advanced courses go into more depth as well as having specific modules tailored to the individual workplace environments.

Course Content (Theory 40%, Practical 60%)

- Introduction to first aid
- Basic life support
- Overview of medical emergencies (heart attack, diabetes, seizures)
- Overview of traumatic emergencies (wounds, burns)

Construction Industry (in addition)

- Dealing with multiple injuries

Advanced EAP (in addition)

- Choose from up to 3 modules from those listed in our course catalogue
