Storm & Water

Training article for discussion by your storm damage crews. Given the photos supplied in the article, print them out and discuss what you would do.

### Scenario:

- Vehicle is under the garage
  - How would you stabilise the structure to make it safe to work around?
  - What safety precautions would you take?
  - Which trees would you remove and in which order?
- What type of saws would you use?
- How far would you go to affect emergency repairs?
- Have you done a job like this before?
