Crash Rescue

Training article for discussion by your road crash rescue crews. Given the photos supplied in the article, print them out and discuss what you would do.

Scenario:

- Patient trapped in the drivers seat in the blue car
 - Total number of patients is seven, all injured
 - Truck is full of supermarket food ie: heavy!
 - How would you stabilise and provide access for Paramedics?
- How do you make space for extrication?
- Have you done a job like this before?
